### **Food service solution & Our Products**

At Freshly Frozen Food, we understand that distinctive products are the key to happy customers. We're experts at developing and delivering the kinds of consistent, high-quality prepared food products that today's leading manufacturers and restaurants have come to expect.

Whether you're a foodservice provider or processor for the industrial, retail, restaurant, convenience store markets, or simply want your perfect product produced, Freshly Frozen Food Solutions is here to help. From Burgers, Nuggets and Home-style coating to service the Quick Style Restaurants to Chilled cold cuts, pizza toppings, portion control Chicken and Beef, Sauces to Sous vide foods...and much more! We do it all. When you partner with FFF, we'll work closely with your organization to develop a food service solution that fits your precise needs. In the end, all you'll have to do is turn the key. We're vertically integrated for maximum efficiency, and experienced in each of the markets we serve, so whether you represent the military, a healthcare institution, a college or university, a sports & entertainment venue, grocery store, or convenience store, you can be confident that FFF will get the job done.

### **Quality Assurance & Accreditation**

FFF is committed to product quality, food safety and public health. The factory complies with International Food Safety Management standards and is accredited with HACCP, ISO 22000:2005, BRC, HALAL and is European union and US food and drug administration approved. Due to these high food standards and rigid quality controls, FFF has been working successfully with International QSR Chains, Leading airlines and Catering companies.
