Company Profile

About Us

Busthan Al Khaleej (BAK) is a Qatar-based FMCG Distribution Company established in Doha, Qatar and is a subsidiary of Benchmark Foods Trading LLC, Dubai, UAE. Benchmark Foods is privately owned organization with business interests covering wide spectrum of industries related to food in the region, with a portfolio of interests and investments across the Sultanate of Oman, United Arab Emirates, and Qatar.

Busthan Al Khaleej is the Food & Beverage division of the Benchmark Foods Trading LLC. We currently supply the finest hotels, restaurants, institutions and retail markets in Qatar. Our current coverage is more than 300 accounts in Food Service and 200 outlets in Retail segment across Qatar.

Today BAK sources perishable, dry, chilled and frozen items from various countries around the world and distribute the same to a diverse client base in the Middle East. A fleet of 10+ refrigerated and ambient vehicles services the Qatar network, providing a comprehensive reach across all cities and Municipalities. We at Busthan Al Khaleej believes that business is not about the things we create, but rather the people who create them. Accordingly, we consider our 20 plus-strong staff to be our greatest asset, followed closely by our loyal and long-standing client portfolio and the food brands that we proudly represent.
